

BEC VANTAGE PRETEST

at Linguaton

2 February 2013

Linguaton has for years been a Cambridge Examination Test Centre. This is a unique opportunity for our students to test their language skills before taking the real exam. Pretests include ILEC (Cambridge Legal English), Business English Exams – Vantage and Higher, as well as CAE and CPE. Pretests are free of charge. Students are expected to invest their time. Pretests are usually administered once a semester. It remains a mystery why so few take advantage of this opportunity....
